Dear Jack:

On our trip to the West Coast next week, we would like to discuss with you the following items from your Proposal CMCC Doc. No. 151X5.1323 dated December 30, 1958:

1. Parts II and III of Exhibit A and attached charts. We would like to have a detailed cost breakdown showing how the figures in the paragraph entitled "Total Funding Required" were arrived at.
2. Exhibit D - Statement of Work and Contract Hourly Rates (Contract No. A-102). We would like a breakdown of Funding Required for Customers No. 1 and No. 3.
3. Possibility of combining the present T&M Contract (A-102) and the proposed T&M for continuation of services previously furnished under A-101.

We expect to be at your location on Thursday, March 5, in the afternoon. We will call you when we arrive.

Attached are the original and two copies of the Novation Agreement. We have changed it to include the revisions requested in your letter CMCC Doc. No. 151X5.1371 of February 16, 1959. It is requested the original and both copies be signed and the original and one copy returned to us.

Sincerely,

Dan
